

FSRC 2023 ENTRY INSTRUCTIONS
Avoiding the morning RUSH at the shows!

Enclosed are forms to use for pre-entering for FSRC shows. The forms are also available on our web site.

www.Freestateridingclub.org

The process is as follows:

1. RIDERS will fill out the form like you normally would on Saturday mornings at the shows. If you want to pre-register for all year, please make note of that on the entry form. The forms serve as backup files in case of discrepancies, and provide the records of the actual submittal by a member.
2. Entries must be received by the Show Points Secretary no later than 3 days prior to each show (**address on back of form**).
3. **PLEASE pay on the day of the show, at the Entry Booth, BECAUSE changes may happen during the show day changing the amount due.**
4. On show morning, there will be one envelope per family/barn to be picked up at the entry booth with rider numbers enclosed. Please send a responsible party to pick up all documents. Save your numbers for future shows. In fact, if you have your pre-registration number **UNDER 100** from the prior show season, you may continue to use them, just mark your number on the pre-entry form in the space provided. Note: if you have already received a back number, there will not be an envelope to pick up. **Please check-in at the Entry Booth or we will assume you are not present and scratch you from all classes.**
5. If at all possible, call me so I can scratch you from your classes. You may add or scratch from any class at the entry booth the day of the show. Any adjustments to your payment will be made at the end of the show day.

It is always better to Enter and scratch classes later!
If a rider must scratch a show, they may do so at no cost!
